All residents of Polk County may use the Shelby Community Library at no charge. The Shelby Community Library charges an Out-of-County annual fee of \$28.00 to patrons, who do not live in Polk County.

If a patron's children attend Shelby-Rising City Public Schools K-12, then the immediate family will be able to use the Grandfather clause and are not required to pay the Out-of-County fee.

When all of the patron's children have graduated, then the parents will need to pay the Out-of-County fee.
